Blessings for our sisters in the **Christian Women Job Corps of Gregg Co.** training program. Please bring gently used ensembles of clothing (jewelry, shoes, purse) placed on a hanger with jewelry & shoes in clear plastic bags & purses thrown over the hanger w/clothing to help these ladies dress for success for a job interview. More than one woman can go together to make an ensemble. Let's help these ladies be clothed with "strength & dignity" to look & feel their best!
